Introduction

One April evening in 2010, the 11th edition of the Ghana Music Awards was broadcasted LIVE. In addition to the display of brilliant musical performances and gorgeous fashion ensembles, award recipients, who by the way had sold millions of albums and become household names, were struggling with articulating their award acceptance speeches! One after the other, these icons were fumbling over their words and some had their hands (and voices) shaking more than the dancers on stage. Then came the *Defining Moment* and the dream for the Royal Centre for Public Speaking was conceived by our Founder, Samuel Jonathan. The primary objective of the Royal Centre for Public Speaking is to equip men and women with effective communication techniques, presentation mastery and exceptional public speaking skills. To date, we have received over 900 testimonials and 96% of clients have rated our coaching and training services as “Excellent”!
