Introduction

The Speaking & Beyond Programme in Public Speaking

Public Speaking has become an art which nobody can evade or shy away from. Public Speaking is a skill we utilise both “On and Off” duty! From vision casting to addressing our constituents and from giving a keynote address at a conference to speaking extemporaneously at a social function, we must connect with our audiences and communicate effectively. Speaking & Beyond will enable the participant to experience an advanced perfection of the rudiments of public speaking. Similarly, this transformational learning experience shall help them attain the enviable level of presentation mastery.

Modus Operandi

Speaking & Beyond is a marathon, not a sprint! The focus of this iconic learning experience is lifelong transformation. Hence, the course duration of six (6) months. In some cases, for logistical purposes, the sessions may be spread over a shorter period. Upon completion of the programme, you receive FREE Admission to **all** our future group courses in London, Lagos, Accra, Abuja, Birmingham, Port Harcourt or future courses we organise in your country! All sessions are conducted LIVE in-person with a hands-on approach and coaching style. Bearing in mind that the secret to public speaking is in the “Doing”, presentation trials, speech workouts and role-plays are incorporated in order to foster an interactive and engaging learning atmosphere. Furthermore, audio-visual tutorials and video clips are utilised to facilitate comprehension. Your dedicated Coach, Samuel Jonathan, is an Executive Mentor, Master Public Speaking Trainer and Presentation Mastery Coach. He has delivered over 6,000 presentations and received 2,300+ testimonials. Course Modules and Areas of Focus

There are three broad (3) enriching modules. “Art of Public Speaking”, “Effective Communication Skills” and “Presentation Mastery”.

The Art of Public Speaking (1 month)

This introductory module will help with understanding exactly what public speaking is all about and what it takes to become an exceptional Speaker. Bearing in mind that Public Speaking is an art, and art is the expression of self, a significant component of this module shall be dedicated to assisting the participant understand their personality type and personality traits; especially how it relates to stage-fright (nervousness) and what it takes to present their best when on stage or on-air. During this session, the Coach assists you in writing your Speaking Legacy. Many have found this module very empowering, especially when it comes to overcoming stage-fright and speech anxiety. It is a priceless learning experience.

Effective Communication Skills (3 months)

Bearing in mind your position and role, the focus of this programme goes beyond being eloquent. Being an effective Communicator is more valuable. Understanding what needs to be communicated and how it ought to be conveyed is a priceless attribute of every Leader. This module will focus on the **verbal** (what to say, choice of words, vocabulary), **vocal** (pace, pitch, volume, inflection) and **visual** aspects of your presentation (gesture, facial expression, posture, body language); as well as determining the appropriate speaking distance. Whether you are giving the keynote address at a conference or engaging an audience of world leaders, this module laser beams on communicating effectively. One of the distinct attributes of this module is understanding that Every Word Matters (E.W.M). A Communicator takes responsibility for what the audience hears! Therefore, the saying of “Ummmhhh” and other idle words, becomes abolished and eradicated by the conclusion of this module. The same applies to utterances such as all protocol observed, plans are in the pipeline, etc. ... Clarity, Charisma and Precision

Presentation Mastery (2 months)

This is one of the most exciting modules. Sadly, it is a level of skilfulness which many seldom attain. Essentially, it focuses on excellence in delivery. The previous module covered the Techniques of Communication. This module focuses more on the Dynamics. Being dynamic captivates and sustains the attention of your audience and keeps them engaged ... even when they cannot see you (such as when on Radio or when people are listening to you from an “Overflow Room”). Topics to be covered shall include Preparing Your Speech (or discussion points), Courting Your Audience (breaking the ice), How to Author Suitable Illustrations, Developing Memorable One-Liners and Audience Engagement. Regardless of whether one’s audience is in a boardroom or ballroom, Presentation Mastery© will equip you with how to prepare for Q&A segments, interact with the press/media, address questions with finesse and handle objections with grace.

We have come to the realization that the courses and programmes you run provide us with more value for money compared to the courses we send our staff for abroad – *Millicent Narh, Deputy Governor, Bank of Ghana*

The standing ovation accorded Samuel Jonathan is a strong credence to his pedigree as a world-class Facilitator. He is phenomenal! – *Wole Coker, Zonal Director, Africa’s largest TV Network – NTA Lagos*

The feedback and raving reviews I received as the Senior Pastor and what the church members said about the new preaching style of our Associate Pastors is simply phenomenal. Our congregation want us to maintain it! We are really glad we took this course – *Rev. Narterh, Calvary Baptist Church*

This was brilliant. My expectations were met and exceeded! We continually harvest multiples of what we invested in taking the course. Even our clients marvel at the presentation mastery demonstrated by our Team! – *Andrew Ackah, Chief Executive Officer, Dentsu Aegis*
